

Sandford and Upper Avondale Community Council
Minutes of meeting 14/5/18 at Sandford Village Hall.

1 In Attendance

C Cassels, L McKague, A Callan, K Cain, T Dyke, P Munro

Apologies: J Motion

2 PC Helen Howie attended the meeting and advised that crime in the local area was relatively quiet. There were ongoing investigations into thefts from local farms and reports of youths meeting at the Spectaclee Falls. She also advised that if required she could conduct a speed check of vehicles entering the village from Stonehouse Road and that she would be able to attend the local School Fayre on 2/6/18.

3 Treasurers Report

Lenny advised that £237.03 had been paid from his personal account to Host Papa for a 3-year provision of the CC website hosting plus 1 year of web security. As this amount of money was not available in the No. 1 account it had been temporarily paid for from the No.2 Account and when the CC receives its annual grant from SLC to the No. 1 account this sum of money would be repaid to the No.2 account.

Following discussion it was agreed that it would be preferable if it was an annual cost instead of 3 yearly and that we would investigate other hosts prior to renewal.

Lenny advised that our accounts were ready to be sent to SLC for annual audit prior to the grant money being awarded.

Current Balance No.1 account £ 3.73, with no further anticipated expenditure.

4 Sandford Report

Chris advised that the Cinema Club were due to have 1 more showing before the summer holidays.

SCEG had held their AGM.

The village spring clean had been very successful with many volunteers and lots of rubbish collected

5 Upper Avondale Report

Agnes advised things were quiet in Gilmourton and no one had requested she raised anything at the meeting.

6 Windfarm Update

KMCP had agreed to suspend further discussion with Banks until after a meeting with MP Lisa Cameron. This meeting is scheduled for 26/5/18, which PM will attend.

7 Residents Survey

Jeannie Kielty from Banks attended the meeting to discuss the resident's survey and community action plan. She will forward on details of suggested survey companies to obtain quotes from.

Following discussion it was agreed that we would like to issue the survey mid August and possibly hold community events early September to try to engage as many local residents as possible.

Banks have previously agreed that they will cover all costs associated with producing the survey and the community events that will be part of constructing a community action plan for the money we shall receive from the KMCP.

8 Community Council Elections

A timetable for the procedures of the CC elections due in October has been received and further detail will be received in due course.

9 It was agreed to hold an extra meeting on 20/6/18 to further discuss the Community Survey and Action Plan.

The next full meeting of SUACC will be held on 10/9/18 at Gilmourton WRI Hall.
